

SIRI SINGH SAHIB BHAI SAHIB HARBHAJAN SINGH KHALSA YOGIJI (YOGI BHAJAN)

*We remember
with loving reverence
our teacher and guide,
the Siri Singh Sahib
(Yogi Bhajan),
who left his body on
October 6, 2004.
With love and devotion
to God and Guru,
he dedicated his life
to bring peace
to the hearts and minds
of humanity.
As we remember him
may we be inspired to
live to his motto:
"If you can't see God
in all,
you can't see God
at all."*

"Blessed God, give us the power, purity, grace and excellence. Give us peace of mind and the power and strength of prayer to be positive. Guide us to excellence so we can serve humanity. May we see You in every creature of this creation, so that we can have joy and happiness and understand the gift of life. May the entire planet live in divine peace."
